SALARES.

GENTLEMEN — Your committee to whom was referred the subject of exhorbitant salaries and sinecure positions, beginned to the charter. Second—It does not appear that Mr. Jersen and the beart of the matter in litigation between the said company and the city, reported adversely. Concurred in.

SALARES.

GENTLEMEN — Your committee to whom was referred the subject of exhorbitant salaries and sinecure positions, beginned to the message of the mayor of April 5, 1871, in which he said that "the necessarily high rate of tax for interest, makes it imperative upon us to levy the tax, at the present time, for general city purposes, at a rate much sold that "the necessarily high rate of tax the will leave us above. The section of the city in the meaning and the tity in the present still be purposes, at a rate much loss not inconsistent with the ordinance. The only of general city purposes, at a rate much loss not necessarily high rate of tax to interest, makes it imperative upon us to levy the tax, at the present line, for general city purposes, at a rate much loss of general city purposes, at a sity ordinance. But we respectfully be leave to state, that we find the taxbe leave to state, that we find the taxcollector receives yearly between six and seven thousand dollars in per centages from his office, and the city is furnishing him a clerk at a salary of twelve hundred dollars per annum.

After taking into consideration the city in the interest of our joint adventure," and in his testimony before the committee he stated the time the bond transaction was going on, and he had no hesitation in saying that a great wrong had been done the city by this speculation. The mayor in the time the bond transaction in saying on, and he had no hesitation in saying that a great wrong had been done the city by this speculation. The mayor in the time the bond transaction. The mayor in the time the bond transaction in saying on, and he had no hesitation in saying that a great wrong had been done the city by this speculation. The mayor in the time the bond transaction in saying on, and he had no hesitation in saying that a great wrong had been done the city by this speculation. The mayor in the time the bond transaction was going on, and he had no hesitation in saying that a great wrong had been done the city by this speculation. The mayor in the time the bend transaction was going on, and he had no hesitation in saying that a great wrong had been done the city by this speculation. The mayor in the time the city is the time the city in the interest or four joint adventure," and in his testime the city in the interest or four joint adventure, and in his testime the city in the interest or four joint adventure, and in his t

After some discussion, the report was concurred in.

INSURANCE ASSESSMENT.

The committee on finance, ways and means reported as follows:

As to the petition of sundry insurance offices or agents, praying for a modification of the city privilege on insurance offices, the committee on finance, ways and means report "that in justice to the foreign insurance companies decing business here, the present ordinance fixing means report "that in justice to the pay made the arrangement was made to pay the coupons maturing in July, 1871, and in the opinion of the committee it was Mr. Johnson's duty to have made the arrangement whether the defend he was doing right no man in the world could convince him he was wrong. The matter was simply one of law, and if it was one of morals they ought to decide it in the church. So far as (Alderman White) was concerned, he would buy and sell city bonds whenever he thought the could make money by them. He again moved to lay the minute have as above This DAY, May in, a continuous for the pays made the arrangement whether the bonds of the was doing right no man in the was doing right no man in the was wrong. The matter was simply one of law, and if it was one of morals they ought to decide it in the church. So far as (Alderman White) was concerned, he would buy and sell city bonds whenever he thought the could make money by them. He again moved to lay the minute have a subject to the pays made the arrangement whether the bonds of the was doing right no man in the world could convince him he was wrong. The matter was simply one of law, and if it was one of morals they ought to decide it in the church. So far as (Alderman White) was concerned, he would buy and sell city bonds whenever he thought the could convince him he was wrong. The matter was simply one of law, and if it was one of morals they ought to decide it in the church. So far as (Alderman White) was concerned, he would buy and sell city bonds whenever he thought to decide it in the church. So far as (Alderman White) was concerne investigated more than they had been Memphis and Obje Siver Packet Co. nstructed to do by the general council. Alderman White said Mayor Johnson

had expressed a wish to have all matter connected with these bonds investi-Alderman Robbins rose to a point of rder. A motion to lay on the table was The vote on the adoption of the minority report was then put and lost, Alderman Busby alone voting in the affirmative.

The majority report was than adopted, Alderman Busby voting in the negative majority report was than adopted, May Buff, at 5 o'clock p.m. JOHN S. BARBIN, Agent, office in JOHN S
